

FEDERAL AID TO HOUSE WORKERS

Washington, Nov. 10.—A committee appointed by Secretary of War Baker, acting as chairman of the Federal Aid to House Workers, has today announced that \$250,000 has been set aside for the purpose of helping house workers on war work.

The committee consists of Otto S. Eidlitz, architect, New York; William C. Sullivan, New York; A. P. of building trades department, Washington, C. D.; John C. Sullivan, controller, American Bell Telephone Company, New York; Theodore Robinson, vice president Illinois Steel Company, Chicago; and John C. Sullivan, New York.

The committee says that the aid is intended because of a shortage of labor in the building trades, and that the aid is to be given in the form of a grant to the building trades union, which will be required to use the aid for the purpose of helping house workers who are engaged in the building of houses for the government.
